

Strangeways

Strange days in strange ways
Never pays times ticking
Choose your type believe the hype
Or become ripe for the picking
There's big fella's little fella's
Beggars and sellers
Ball breakers rule breakers
Takers and fakers
Door bangers and hangers
Even paid avengers
There's lifers and knifers
Taking lives for fivers
Weed smokers teabag tokers
And the practical jokers
Pill poppers
Wing hoppers
Telling everyone whoppers
The grafter the shafter
Who all wanna pay after
Strange days in strange ways
Never pays stay away
Enjoy our life
And wife and your
Slippers and pipe
Sunday dinners
Forgiving sinners
Watching your kids
Grow up winners
Be content
Not bent
Life's not meant
To be spent
Wishing for more
Than you need
No need for greed
If you can feed

Your hunger
Your getting older
Not younger
Strange day's in strange ways
Never pays
