

Chemical Cash Cow

The pink one keeps me happy and stops me feeling sad
The red one keeps the pink one from making me go mad
The white one helps me sleep and the dark blue one helps me think
Though I sometimes think of suicide if I take it with the pink
Two green ones keep me calm and help me not to panic
But I do not take the green ones if I think that I am manic
My orange one, it has side effects they make me feel quite ill
So I told this to my doctor who gave me a yellow pill
Now I've got a rainbow which I swallow when I'm told
And the makers of this rainbow? They earn a pot of gold.
